BREAKFAST 2020

Breaking Barriers. Building Bridges!

Join Jobs for Delaware Graduates as we celebrate and strengthen the partnerships around our C.O.R.E. Internship Program! C.O.R.E. (Creating Opportunities through Real Experiences) was launched in 2018 as a platform to advance JDG's 12th grade curriculum. With the help of our partners, students can gain industry knowledge and strengthen their ability to compete for jobs, college, and scholarships on a higher level. C.O.R.E. helps students to connect the dots between school and work in ways that keep them motivated with the skills they need for the future.

Dear Prospective Sponsor,

We are excited and pleased to invite you to our Jobs for Delaware Graduates C.O.R.E. Breakfast!
The event will be held on **Friday, March 27, 2020 at Hotel du Pont from 8:00am –10:00am.**

C.O.R.E. (Creating Opportunities through Real Experiences), was launched in 2018 as a platform to advance our 12th grade curriculum. The program includes a combination of in-class projects and off-site employment training through job shadowing, internships, and/or co-ops. With the help of our partners the C.O.R.E. model:

- Helps students to gain industry knowledge and applications in the field;
- Strengthen their ability to compete for jobs, college, and scholarships on a higher level; and ultimately,
- Connect the dots between school and work in ways that keep them motivated to graduate with the skills they need for the future.

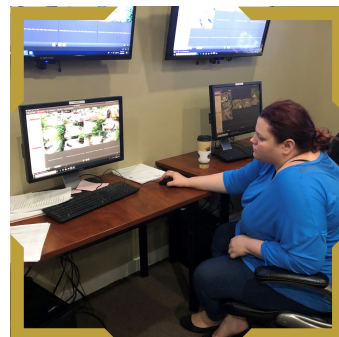

To date, our high school seniors have completed over 7,000 hours of field-based training and skill development; more than 60 students have been exposed to careers in a number of industries; and over \$60,000 has been invested directly into the lives of Delaware's youth and our local economy¹. We hope you will join us as we celebrate and strengthen our program and the opportunities we provide.

We are thrilled to celebrate the success of our students and business partners. We hope you will consider joining us as a sponsor for this year's event. Opportunities to participate are detailed in the enclosed sponsorship form. Together, we can create and strengthen bridges for students throughout Delaware.

Best wishes,

Nicole Poore

OVERVIEW

MISSION

Enabling students to achieve academic, career, personal, and social success.

HISTORY

Jobs for Delaware Graduates (JDG), is a school-to-work transitional program, designed to address Delaware's unemployment and dropout rates. Our in-school program implements a comprehensive curriculum based on 80 employability areas including: career exploration, entrepreneurship, soft skills, critical thinking and financial planning. Students who participate in JDG gain first-hand exposure to emerging career fields and engage in leadership, community service, and personal enrichment activities. In our 41-year history, JDG has served more than 75,000 students. Each year, we continue to strengthen our mission and the opportunities we provide - *your support will make a huge impact!*
